

Terms of Reference: Human Factors Special Interest Group

NFAS-HFSIG

Participants:

- Anyone with an interest in HF
- Moderated by person to be selected by group

Premises:

- SIG works according to consensus principle: all to agree on guidelines etc. if not, make note that it is a suggestion

Constitution and start up

- The SIG will be invited by NFAS leader for a first meeting
- At first meeting SIG will choose moderator
- Thereafter, SIG will decide which tasks are priorities
- Moderator will follow up on tasks, call to meetings and coordinate work
- New tasks can be suggested to NFAS board through NFAS secretariat.

Initial list of tasks (to be agreed by first meeting).

- Establish guidelines for human factors for crew on board and in RCC for highly automated and autonomous ships
- Set up a repository of relevant resources
- Inform secretariat of web pages etc. conferences etc.
- Consider and develop collaboration opportunities
